Artist Retreat *In Chiusi, Italy*

October 12-18 2026

The retreat will be from October 12th to 18th, 2026, in Villa Febea, a 5 minute drive from Chiusi - the last Etruscan town before Umbria.

Time will be set aside for painting, sketching, journaling, or your chosen creative practice and gentle guidance will be offered to support and inspire.

We expect this retreat to be very popular so early booking is highly recommended.

We have carefully crafted and curated this experience to deliver a retreat that weaves together the best of Italy: its rich history, timeless culture, and breathtaking landscapes with the joy of creating art and savoring life's pleasures.

Between guided trips to historic towns, hands-on cooking and wine experiences, and dedicated time for artistic expression. You will discover a perfect balance of inspiration, relaxation, and authentic Italian living.

Artist Retreat *In Chiusi, Italy*

Accommodation is in the stunning 18th century Villa Febea, reached by a cypress-lined drive. Originally a residence as a retreat for cardinals and bishops, it dates back to the 1700s. It sits in 16 acres of grounds, with a network of pathways to explore - and its own Etruscan grotto.

All rooms are en-suite and retain period features yet offer all modern conveniences. You can share a room with a non-artist partner; they are included in everything except for art workshops. *

The absence of distractions and the presence of like-minded individuals make this an ideal setting for artists. More than ever in today's world, we need space to unwind, recharge, and be inspired.

Cost: * €2950 per artist sharing; €2450 non-artist sharing; €3400 single occupancy;
